Nasi Lemak Dinner Talk

The "China Dream" meets the "Make America Great Again" Dream: Challenges and Future Trends

Date: Thursday, 19 September 2019

Time: 6.30pm - 9pm

Venue: Ballroom, 3/F., JW Marriott Hotel, Hong Kong

You are cordially invited to join the Nasi Lemak Dinner Talk on 19 September 2019 (Thursday). We are pleased to have Professor Tan Kong Yam to be our speaker.

The US-China trade war is uppermost in every business person's mind. There is probably no more important and pressing matter for any business leader today than to carefully strategize and navigate his or her company's direction in the wake of the US-China trade conflict.

It is a rare opportunity for you to obtain reliable information and insights from a uniquely qualified expert.

Professor Tan's standing as a world class economics expert is indisputable. Having obtained the Paul Volcker Thesis prize at Princeton University and completed his Master's and PhD degrees at Stanford University in just 3 years, he has had an illustrious career in academia and consulting at leading universities and institutions too many to mention here but are briefly listed in the Appendix. Presently, Prof. Tan is a Professor of Economics at the prestigious Nanyang Technological University.

But what makes Prof. Tan a most unique expert to listen to with regard to the US-China trade war is the impressive list of advisory roles related to China economic affairs that he was appointed to by leading governmental and academic authorities in China and Singapore.
